Dear Mr. Fujioka:

The Department of Health/Maternal, Infant and Early Childhood Home Visiting (MIECHV) Grant Coordinator, Cindy Hirai, has asked for a letter to verify that there are only 3 Early Head Start Grantees in Hawaii serving pregnant women, infants and toddlers of low income and their families.

As Hawaii's Head Start Collaboration Director, my role is to serve as the liaison between the federal Office of Head Start and the State, as well as to support the Head Start and the Early Head Start grantees in their work with young children and their families. This involves both partnership enhancement activities to promote better coordination and collaboration between the Head Start grantees and the larger community serving young children, as well as systems-building activities at the state level.

This is to confirm that there are only 3 Early Head Start grantees in Hawaii. **Parents and Children Together (PACT)** operates both an Early Head Start program (birth to 3) on Oahu, as well as a Head Start Program (3-5 year olds) on Oahu and Hawaii Island. **Family Support Hawaii** operates an Early Head Start Program, primarily on the west side of Hawaii Island. **Maui Family Support Services** operates an Early Head Start Program for Maui County. A combined total of 497 infants and toddlers are served through these 3 agencies.

Please do not hesitate to contact me at 586-5240 if you have any questions.

Mahalo,

Chris S. Jackson
Hawaii Head Start Collaboration Director
